

# Responsible Bobcats

---

*Cubmaster:* Being Cub Scouts means many things. It means making new friends, having fun and adventures, strengthening friendships and family ties, working hard toward advancements, and doing your best. It also means making promises and keeping them.

<Call Forward Bobcat candidates>

The first rank earned by every boy in Cub Scouting is Bobcat. To become a Bobcat, a boy must complete eight requirements. One of them is to learn the cub scout promise. Making a promise and keeping it means being responsible. These Boys have learned the Promise and are ready to become responsible cub Scouts.

Bobcat candidates please make the cub scout sign and repeat the Cub scout Promise with me !

<Repeat the Promise>

<Give each boy the Cub Scout handshake and handout the Bobcat Badges to the parents so they can pin them on their son's shirts>

Congratulations.

# Leader Induction Ceremony

---

*Personnel:* Charted organization representative, and all leaders in the pack

*Charted Organization Representative:* There is a special group of people here that the boys and parents of Pack \_\_\_ wish to honor at this time. These people are the adult leaders of the pack.

<Ask all the leaders to come forward, calling each one by name and giving his or her position>

These volunteer leaders not only guide their own boys through Cub Scouting but believe strongly enough in the program that they are willing to devote extra time and effort to making the dens and the pack go. For this the Cub Scouts and families of Pack \_\_\_ salute you <lead round of Applause>

These leaders wear the badges of office on their uniform. The badges represent many things. **Responsibility**- for their responsibility as our leaders will be great. **Hard work** – for that's what makes the pack go. **Enthusiasm**- for it is contagious and accomplishes much. And **Gratification** – for that will be reward of their efforts.

Parents in the audience please rise and repeat after me:

**As parents we pledge you our wholehearted support:**
