

Opening

Narrator: We're gathered here tonight,
To honor the Blue and Gold,
And pay a tribute to Scouting,
Which is 101 years old.

Action for boys: Boys could hold up blue and gold cards for the first 2 lines and then turn them over for the last 2 lines where the # is printed on the back.

Now, as we look all about us,
Scouting in action we see,
Brining fun and adventure,
As Baden-Powell meant it to be.

Action for boys: As the first 2 lines are read they place hands over eyes as if shading them and looking from left to right. As second 2 lines are read, each one can hold up something showing Cubbing fun such as Pinewood Derby cars, sail boats, etc.

Let us all join together,
As our program we start,
By pledging allegiance to our Flag
With our hand over our heart.

Indian Table Grace

Now I am about to eat, O Great Spirit, Give my thanks to the beast and the birds whom you have provided for my hunger and pray deliver my sorrow that living things must sacrifice for my comfort and well being. Let the feather of corn spring up in its time and let it not wither but make full grains for the fires of our cooking pots. Now I am about to eat.

Baden Powell Closing

Baden Powell had a vision
Which he made come true,
So that we enjoy Scouting
And have fun while we do
He wasn't an American
But he's famous to us;
He had earned in America
Our admiration and trust.

May the Spirit of Scouting
Be with both young and old,
As you never forget

The Blue and Gold.

May you strive for Truth and Spirituality in the warm Sunlight under the sky above. May you bring Good Cheer and Happiness to others and have steadfast Loyalty and love.
